St Nicolas Church Room at 7.30pm

Present: Peter Seaward (chair), Chris Pullan, John Allen, Andrew Freeman, Michael Anderson, Julia Dickinson, Arthur Field, Keith Francis, John Howarth, Stan Miles, Ray Pritchard, Frances Fancourt, David Cox OBE, Nick Forrer,

Invited Councillors: Cllr. Metin Huseyin,

Ordinary Members: Phil Harris, Clifford White

1 Minutes

1.1 Slight amendment to the Village Clock item. It should read “To look at using PIC funds to get it repaired”, not litter pick funds. Other than that, the Minutes of the previous meeting were accepted as an accurate record.

2 Matters Arising

2.1 1st June item 11.2.2 Grass Verges: Michael Agius will be investigating the provision of wooden posts on the grass verges in Eastwick Park Avenue. This is to discourage parking on those verges. The MVDC Parking Design Team is reviewing the parking of cars on grass verges and the discouragement of such using posts. Carried forward.

Action: Michael Agius

2.2 9th May 2016 item 6.1 Speed Cameras. The speed cameras have been located and Highways will maintain them and Inspector Richard Hamlin had previously said the police would erect them. To be clarified.

Action: Peter Seaward/Andrew Freeman

2.3 4th July item 5.4.5 Bookstall. There was broad agreement that the BRA should purchase a marquee to cover the books at the bookstall although Peter Seaward indicated that these appear to be of higher cost than previously thought, therefore likely to use several gazebos again this year.

2.4 1st August item 4.3.1 Drainage. The Lower Road Recreation Ground newly installed drainage ditch and pipe work has been reviewed by Michael Agius. The only issue is that there is a gap in the protective fencing at one end. Michael has written to Paul Anderson, MVDC, on the adding missing protective fencing. Carried forward.

Action: Michael Agius

2.5 There were no matters arising that were not elsewhere on the agenda.
3 Correspondence

3.1 Andrew Freeman reports that there had been around a dozen enquiries to the 0300 number or via the website. Most of these had been prompted by the “No to Parish Council” leaflet and wanting to sign the petition or join the BRA.

4 Group Updates

4.1 Management Group

4.1.1 Finance: Chris Pullan updated the committee saying that just over £9k had been raised via subs and that the year end position is likely to show a surplus of £338 allowing for £1,000 being set aside for the “No to Parish Council” campaign.

4.2 Planning Group

4.2.1 The issue of 63 Church Road has not been resolved. The Council appear to not fully appreciate the NDR and clarification is still awaited. However, since the last meeting, planning consent appears to have been given for one 4-bedroomed house and two 3-bedroomed houses (as per the NDP) whereas the developers are still advertising them as three 4-bedroomed houses.

4.2.2 It was agreed that Peter S, Trevor and Stan Miles would meet with Cllr. Metin Huseyin and Cllr. Jatin Patel to discuss and then to meet with Chris Hunt, Chair of the Development Control Committee

4.2.3 No other specific planning applications were highlighted by the Planning Sub-Committee as requiring action.

4.3 Environment Group

4.3.1 Roads: Nil to report.

4.3.2 Bookham Flood Action Group. Keith Francis reported that the governance arrangements had been altered which has distanced the BRA from the utility suppliers.

4.3.3 Trees Horticulture: It was reported that £2,000 PIC funding was expected this year and that 13 trees will be planted plus tree and verge maintenance works to take place. Regarding the Chrysie Rec, work was now nearly complete with two benches to be erected and some pruning of trees.

4.3.4 Litter Pick

It was reported the previous litter pick had been attended by 10 people and filled 16 bags. It was also noted that the Lower Shott bins were quite often overflowing and needed to be emptied more regularly.

Action carried forward, John Chandler agreed to approach the Council for continued funding of £1 per bag.

Action: John Chandler
4.4 Community Group

4.4.1 Education

David Cox reported that the Schools Admissions Team had raised some concerns that the Eastwick School had some plans to increase capacity that would impact on other schools and result in a surplus of spaces.

4.4.2 Transport: Nil to report.

4.5 Communications and Membership Group

4.5.1 Communications

On the question as to whether Bookham should have a Village Council posters had now been put up in shops and notice boards; Phil Harris and Arthur Field have continued the High Street campaign; and a further discussion took place regarding having tellers at the polling stations. Metin Huseyin will check whether the tellers are able to say anything to voters.

Action: Metin Huseyin

4.5.2 It was noted that over 700 people had signed the petition, including about 250 that have signed in the shops and that the Council would be sending out a leaflet describing the advantages and disadvantages of a parish council. Finally, it was agreed that the BRA wouldn’t hold a public meeting.

Newsletter: Les Huett had forwarded a message to request articles for the next Newsletter. Andrew Freeman to circulate Les’ plan.

Action: Andrew Freeman

Membership

4.5.3 The BRA membership list is to be computerised and placed on an electronic basis. The cost of this will be some £500 although no one had been identified to undertake this piece of work.

4.5.4 Peter Seaward and Phil Harris had met to look at alternative ways to collect fees. Discussion to be widened to include Arthur Field, Chris Pullan and David Cox and then to report back.
